HOST AN EXCHANGE STUDENT FROM THE JAPANESE GREEN BAND

Currently we have 178 Green Band students coming from such cities as Kyoto, Nagoya, Nara, Gifu, Hiroshima, Izumo, Kobe and Iwate. Part of their experience is to live with an American Host Family for a few days. The students would be in your home the nights of December 30, 2019 and January 1, 2020.

You would be paid to host \$25 per night for each student hosted or \$50. This money would be used to cover meals at your home to include some breakfasts, lunches and dinners.

The Japan Honor Green Band is arriving in late December. Their tour includes Disneyland with a parade performance, a workshop to Disney movies and sightseeing.

A band festival performance at Pasadena City College on December 30, 2019. Rose Parade performance on January 1, 2020. Finally, an Olympic Year Celebration Concert at the Aratani Theatre which is an 841-seat venue that has a warm and intimate ambience located in the Japanese American Cultural & Community Center, 244 San Pedro Street, Los Angeles on January 2, 2020.

You can find more information and the host family application on the back of this flyer or at http://kennedyband.org/Green_Band.html

We are so proud of all the host families that have always come through since 2007 when the John F. Kennedy High School Band became involved with this very special Green Band Student International Music Exchange.
